

O-SEE Ultra Trail

A. Competition regulations and organisational guidelines

1. By registering to take part in the O-SEE Ultra Trail and by taking part in these competitions, the participant declares that he/she accepts the invitation to compete, the competition regulations and organisational guidelines as well as the conditions of participation and submits to them.
2. The event is based on the competition regulations of the German Athletics Association (German Athletics Regulations, Legal and Procedural Regulations, Anti-Doping Code, Referee Regulations). These can be viewed on the DLV homepage and on the day of the competition where the starting documents are handed out.
3. The services of the organiser are only guaranteed to pre-registered participants.
4. The registration is done online via baer-service.de or, in the case of late registration, via the organiser's registration form.
5. The registration is only valid when the entry fee has been received by the organiser.
6. The starting documents can only be handed out without confirmation of registration on presentation of the individual's identity card when collecting the documents in person.
7. Participants under 18 years of age require a parental consent form. This must be presented when collecting the starting documents.
8. The organiser reserves the right to change the announcement, the regulations and the course.
9. It is not possible to change the competition course during the competition, with the exception of O-SEE 100k to O-SEE 75k and O-SEE 75k to O-SEE 50k, respectively, as mentioned in the event announcement document.
10. In the case of abandonment of the race over the trail distances, the organisation office must be informed immediately. Failure to do so may result in the participant being charged for any search and rescue costs incurred.
11. In the event of non-return or damage of the GPS tracker, the participant will be invoiced for the amount of € 100.00.
12. In the case of cancellation of the event due to force majeure, non-participation, postponement or abandonment of the race for reasons for which the organiser is not responsible, the participant is not entitled to a refund of the entry fees nor to reimbursement of other expenses such as travel or accommodation costs.
In the event of a complete cancellation of the event due to official or legal orders, the entry fee will be refunded minus a processing fee. This fee is € 10.00 for the Trail Runs and € 4.00 for the Light Run/Walking. For the Kids Runs, the starting place will be transferred to the next year in the form of a credit note.
13. In the event of illness of the participant, the transfer of the starting right (start number) to another person is only possible with the consent of Baer-Service GmbH.
14. In the case of violation of the conditions of participation, in particular in the case of unsportsmanlike or unfair behaviour towards other participants, or in the case of non-observance of instructions from judges, stewards and helpers of the organiser, the participant can be disqualified or not admitted to the competition
